

One Roof EngiMech Solutions

## About Us

Gaurav Trans Engineers Private Limited is a Family-Controlled, Professionally-Managed and Environmentally-Responsible Private Limited company with over 49 years of Experience and Expertise in Mechanical Power Transmission product distribution.

We are well established Dealers, Distributors, Wholesalers, Exporters and Importers of wide range of Industrial Products such as Belts, Industrial Couplings, Gear Boxes and Motors, Timing Belts and Drives, Shaft Mounted Speed Reducers, Hose Pipes, Hose Clamps and Taper Lock Pulleys.

These products are commonly used in number of industries such as Mechanical, Automotive, Chemical, Earth Moving, Textile, Steel, Power Plants, Rolling Mills, Crushers, Food & Agro, Plastics, Compressors, Cement, Pharmaceuticals, Engineering, Construction and many more for different purposes.

With the passion for Excellence and Insatiable Appetite for Success, today Gaurav Trans Engineers Private Limited enjoys significant brand equity in the Mechanical Power Transmission Industry with strong market presence.

## Why Us ?

Due to our extensive years of industry experience and profound market understanding, we are providing a wide gamut of products to our esteemed clients. Some other factors that have placed our organization at the peak of the success in this highly competitive market are as follows:

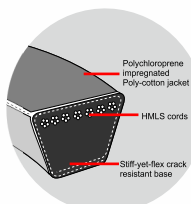

- ✓ System Oriented Business
- ✓ Customer Centric Approach
- ✓ One Stop Solution
- ✓ Quality Conscious

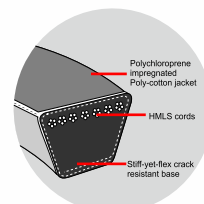

# INDUSTRIAL BELT PRODUCTS

## Classical Wrapped Belts

## Spacesaver Wedge Belts

## Green Cover Belts

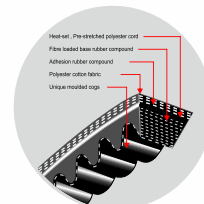

**POWERTRAN®**  
Green Cover Belts

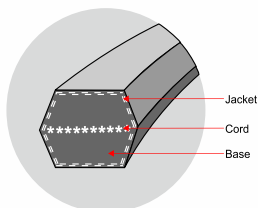

**The Three Star Advantage Belts**

- ★ **Extra Power**  
40% higher Power than normal Belts
- ★ **Extra Life**  
Much longer life than normal belts
- ★ **Extra Saving**  
18% - 20% saving in Drive Cost

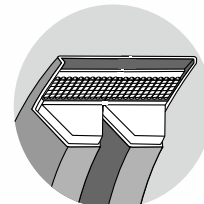

## Raw Edge Cogged V-Belts

## Hexagonal Belts

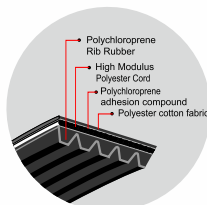

## Banded Belts

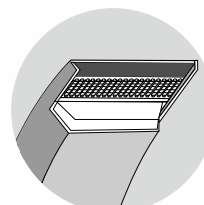

Banded Belts  
Classical & Wedge Sections

## Multi Pull Poly-V Belts

## Harvester Combine Belts

- Wrapped (Classical & Wedge) Belts
- Cogged (Classical & Wedge) Belts
- Multipull Poly-V Belts
- Timing HTD & FXT Belts
- Banded Belts
- Speciality Belts

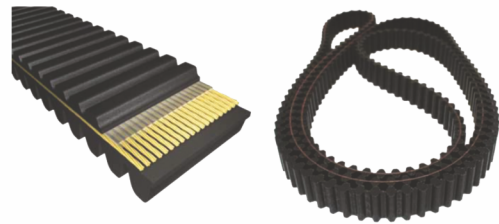

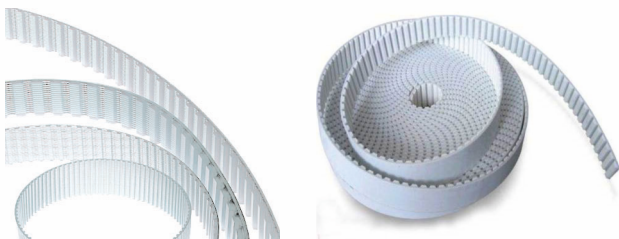

### Rubber Timing Belts

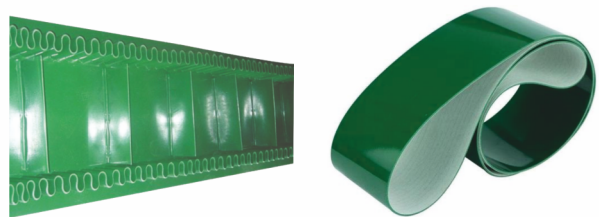

### Twin Timing Belts

### PU Timing Belts

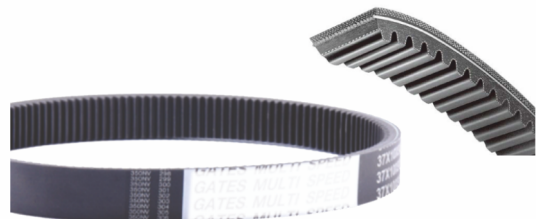

### PVC Conveyor Belts

### Nylon Sandwich Belts

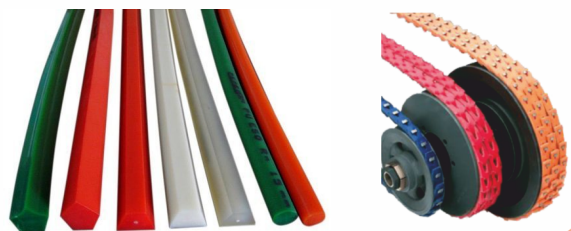

### Multi Speed Belts

### Ceramic Belts

### Special Belts

V- Crested Belts for Ceramic Tile Industry

# PARSON<sup>®</sup>

- Wrapped (Classical & Wedge) Belts
- Cogged (Classical & Wedge) Belts
- Multipull Poly-V Belts
- Timing Belts
- Banded Belts
- Speciality Belts

# INDUSTRIAL COUPLING PRODUCTS

**Bush Type Flexible  
Couplings**

**Essex Couplings**

**Fenaflex Type  
Couplings**

**Gear Couplings**

**HRC Flexible Jaw  
Couplings**

**Resilient Couplings**

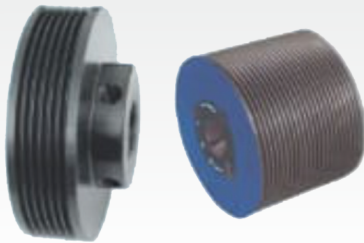

**Nylon Gear  
Couplings**

**V Cool Pulley**

**Timing HTD Pulley**

**Multi Ribbed Pulley**

**SIP Pulley**

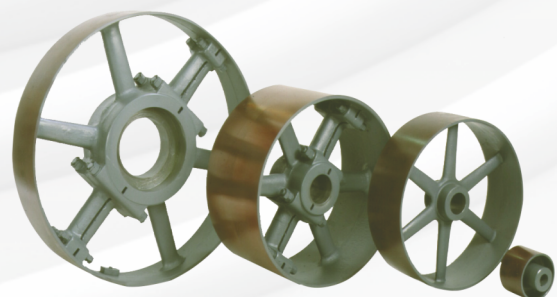

**Taper Lock Pulley**

**QD Bush Pulley**

**2 Piece Pulleys**

**Flat Pulleys**

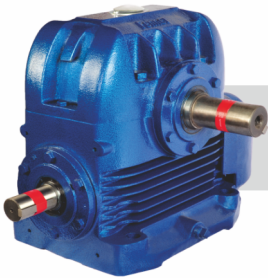

**INDUSTRIAL MOTOR PRODUCTS**

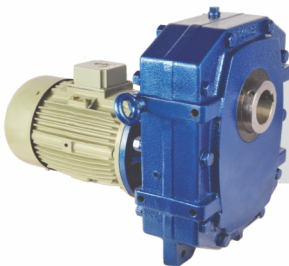

**SMSR Plus**

**Helical Inline Geared Motor**

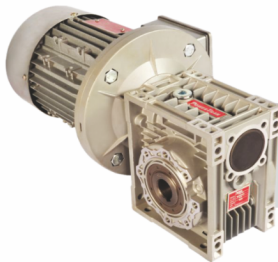

**Warm Gear Box**

**Parellet Helical Geared Motor**

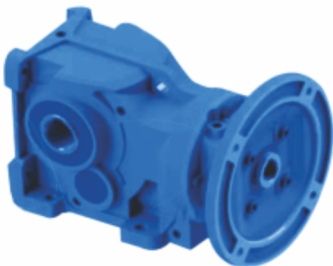

**Vibrator Motor**

**Worm Geared Motor**

**Bevel Helical Gear Reducer**

**Inline Helical Gear Reducer**

# INDUSTRIAL & HYDRAULIC HOSE PRODUCTS

**Industrial Hose**

**Hydraulic Hose**

**Suction & Discharge Hose**

**Material Handling Hose**

**Food & Beverage Hose**

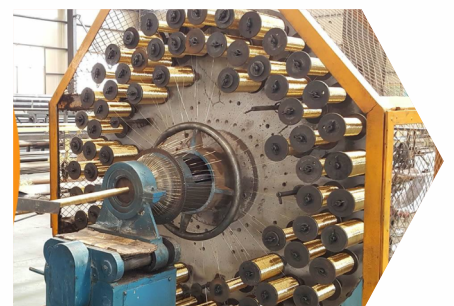

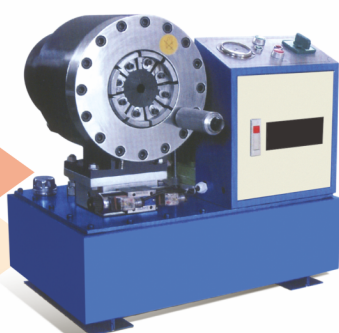

**Spiral Hose**

**MS & SS End Fitting**

**SS Corrugated Hose**

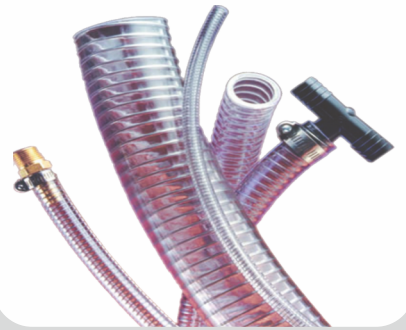

**PVC Nylon Braided Hose**

**Water Green Braided Hose**

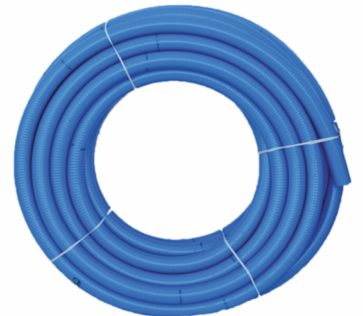

**PVC Thunder Hose  
(Non-Toxic)**

**PVC Green Suction Hose**

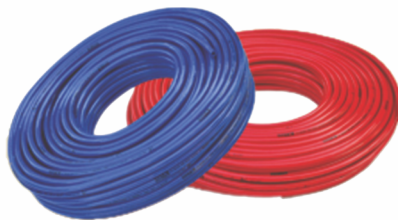

**PVC Heavy Duty Suction Hose**

**PVC Oil Suction Hose**

**PVC Power Spray Hose**

**PVC Welding Hose**

**PVC Tubing**

**Silicon Hose**

**PU Duct Hose**

**Layflat & Cotton Hose**

## OTHER PRODUCTS

**Worm Drive Hose Clip**

**T-Bolt Clamp**

**CTC Clamp (Spring Band)**

**Heavy Duty Clamp**

**Non Metallic Liner**

**Metalic W6 Liner**

**Fiber Glass Belt**

**Marine Silicon HRC 150**

**Marine Silicon Pipe**
